VIN SANTO DEL CHIANTI CLASSICO 2005 DOC

Euro 85

Isole e Olena Azienda Vinicola (since 1976)

(glass with homemade Tuscan cantucci)

Euro 13

"One of the classic and historic wines of Tuscany, Italian Vin Santo is produced primarily from blends of Malvasia and Trebbiano di Toscana left to dry in the cellar attics according to the Italian appassimento method.

Vin Santo di Isole e Olena is traditionally fermented in small barrels (caratelli) that previously contained Vin Santo wine having developed yeasts that help ferment the wine.

It matures in the same barrels for 8 years developing surprising levels of complexity and an excellent balance between sweetness and sugars. Tuscan Vin Santo has always accompanied Cantucci Toscani (biscuits), forming an integral part of Tuscan culinary culture."

Deep amber color, complex aromas with a combination of dried fruit, orange peel, apricot compote and tsourekio.

The long aging creates a complex noble oxidation reminiscent of butterscotch, crème brûlée and walnut, while aromas of spices such as vanilla, cinnamon wood and cloves flood the glass.

(60% Malvasia, 40% Trebbiano) 13% vol.
