

HOLIDAY HOME

Loutra – South coast of Crete

Il Nido del Gabbiano

Blue Kipos 67 offers 4 rooms in a typically Greek structure, in an unspoiled corner of paradise in the hamlet of Loutra on the fascinating south coast of the island of Crete.

Caterina and Giorgos, our friends of Venerato, during the summer in Loutra manage the apartments and the Cretan home cooking tavern on the property, where you can eat special and genuine dishes from their kitchen on the outdoor veranda with a view breathtaking.

Beautiful and uncrowded beaches in the Loutra area are between 5 and 15 minutes by car from the property of Caterina and Giorgos, the closest beaches are within walking distance, in some areas you can also practice naturism.
