

HOLIDAY HOME

Arvi – South coast of Crete

La Casa del Mare

Blue Kipos 67 offers 4 apartments, all facing the sea, in a typically Greek structure near the fishing village of Arvi, on the fascinating south coast of the island of Crete.

Maria, Kostas & Giorgos, our friends from Arvi, during the summer manage the structure and the Cretan home cooking tavern inside the property, where you can eat special and genuine dishes from their kitchen on the outdoor veranda facing the sea with a breathtaking view of the Libyan sea.

Beautiful and uncrowded beaches in the Arvi area are a short drive away from Casa del Mare and in some areas you can practice naturism.
